

Online Dues Payment Account Creation Instructions:

Step One: Select your sub-association then click continue.

Step Two: Click create log in.

Step Three: Enter your name, user name/password and email address.

Step Four: Unit #/Address

Please find your sub-association code below and your account number from your bill. Your account number is located in the top right corner. Your sub-association will be listed in the center of your bill.

Combine these two items with your property address for your Unit#/Address.

Off site owners be sure to use the property address in Flower Hill.

For example if you lived in Westwind (WD), Account Number (2500), Address (18417 Gardenia Way). You would enter: **WD-2500 18417 Gardenia Way Gaithersburg MD 20879.**

Step Five: Review the User Agreement/Privacy Policy and agree to them by checking the box. Click save and continue.

Then simply follow the online instructions to make a payment by credit card or e-check.

You can then go back to edit your profile and enter all your information. Please remember to save your user name and password. If you forget, FHCC can resend your information next year. You will need to call the office and request it.

Thanks,
Flower Hill Central Corporation
